**Miller Outdoor Theater**

*A Night at the Symphony*

Our bus driver  
got us there and  
back safely,  
as always!

First stop –  
Luby's for dinner!

To the left: The orchestra prepares to begin the concert, led by Chilean guest conductor Paolo Bortolameolli.

First on the program was *Piano Concerto in A Minor, Opus 16*, by Edward Grieg, featuring acclaimed guest pianist Drew Petersen.

Everyone then enjoyed a special encore performance of *Clair de Lune* from Mr. Petersen, who thought it appropriate, in light of the upcoming 50<sup>th</sup> anniversary of the moon landing.

Last, but not least, we enjoyed *Symphony No. 9 in E Minor, Opus 95, (From the New World)*, by Antonin Dvorak.

To the left: conductor and pianist take a bow.
