

## Additional notes from our first Spring meeting March 19, 2026

See excerpts below left from a prayer quote *Mary Mahon* shared prior to lunch:

May our faith be strong as we journey on  
In the start of a brand-New Year  
And our days be blessed with peace and rest  
freedom from doubt and fear

As we lift our hands and voices, Lord  
In heartfelt thanks and praise  
We're grateful for the light You shine  
Through darkest nights and days

The Light of Life and hope are You  
The Rock on which we stand  
O Sun of Righteousness, we pray  
For healing in this land

### ***From the Suggestion Box last week***

There were 3 suggestions, all food-related!  
Two were interested in having **PX Project**  
cater a LEOH lunch. Ann Fairchild will work  
on planning lunch there following a LEOH trip  
The catering option will be reviewed for the  
Fall.

The third suggestion requested a change from  
*Firehouse Subs* at our weekly meetings. Cost  
is one of the main factors – the goal is to offer  
a quality product at a reasonably low price for  
members – your suggestions for other options  
are welcome!

### ***Meetings always include food and flowers!***

Last week we enjoyed a variety of snacks prior to lunch,  
and admired mini-vases of beautiful flowers from Ann Fairchild's garden.

### ***Afternoons in Fellowship Hall include Bridge and Stitchery!***

***Everything Yard & Thread*** members  
show off their current handiwork,  
which incorporates Tunisian stitches

***Bridge players***  
always have a good time!
